### ALCOHOL FREE ALL NATURAL G&T

### GINGER CHILI TONIC

Perfect™ is made from carefully sourced, all natural gin botanicals blended with a refreshing and crisp tonic. It's the "perfect" alternative to a traditional G&T, ideal for those averse to alcohol or those who abstain, as well as those that like the flavor of a G&T. As we like to say, "skip the alcohol, not the taste." Perfect™ gives you the best of both worlds.

It's more than a ginger ale or ginger beer. It's also a tonic - blended with fresh ginger, all natural botanicals and Jamaican chili. It's bright, flavorful, and versatile. It can be served as a standalone or as a mixer for classic cocktails like the Moscow Mule or a Dark and Stormy. Pimento is a brand new take on a traditional favorite.

\*For Discover Bradenton followers only with the purchase of any two 4-packs or more. Enter code "PERFECT" at checkout and select "Bradenton" as your store.
